中国（上海）国际流体机械展览会

China International Fluid Machinery Exhibition

2021年5月26-28日

上海虹桥·国家会展中心

CGMA

“中国(上海)国际流体机械展览会(CFME)”，是由中国通用机械工业协会主办的中国境内流体机械行业唯一的规模大、行业权威性高，展品种类丰富、展品水平先进。参观观众层次高的大型专业展览会。展览会集中展示国内外流体机械制造业在技术创新和产品研发等方面的最新成果。展会期间主办方邀请行业重要用户、工程公司、国外驻华使馆、国内外行业组织前来参观，同时主办方在展览会期间举办内容丰富、形式多样的技术高峰论坛、国际产业论坛、技术交流会、新产品发布会和用户签约仪式等活动。为了全方位展示展览会的行业影响力，展会期间超过100多家行业专业媒体从不同角度、多种渠道对参会及参展企业进行全方位宣传和报道。

“China (Shanghai) International Fluid Machinery Exhibition (IFME)” is the only large-scale and authoritative exhibition in China's fluid machinery industry, sponsored by China General Machinery Industry Association. It shows a variety of exhibits with advanced technology, and attracts many professional audiences. At that time, the latest achievements in the field of fluid machinery manufacturing in terms of technological innovation and product development will be displayed. During the exhibition, the organizers will invite major industry users, engineering companies, foreign embassies in China, and domestic and foreign industry organizations to visit. At the same time, the organizers will hold a variety of technical summits, international industry forums, technology sharing meetings, new product launches, and user signing ceremonies. In order to show the industry influence of the exhibition extensively, more than 100 professional media in the fluid machinery manufacturing and user industry, domestically and internationally, will report and propagandize the participants and exhibitors from a variety of perspectives, channels and dimensions.
